The Hardy Lilies, with the exception of the Mixed Pink and White Marliac's, are all fine large Tubers. The Mixed Marliac's are small Tubers but of very good quality. The Sagittaria Subulata offered are all hot tank grown. We believe these to be the finest ever offered. To increase your sales on Aquarium plants we think you will find these hard to beat.

We exercise the utmost care to have all stock true to name and description, never the less it is understood and agreed that should any stock prove untrue to name or description, we shall be liable only for the sum paid for the stock which may prove untrue, and shall not be liable for any greater amount, or its welfare or productiveness after it leaves our hands.

While we do not guarantee live delivery.....(all claims for loss or damage are to be made to the express or handling CO.)..... We exercise the utmost care in packing and shipping to insure live delivery.
